

Blaine S. Cloud, Ph.D.
Clinical Neuropsychologist
Pennsylvania Psychology License: PS008640L

PROFESSIONAL EXPERIENCE

Pharmaceutical Consulting

Senior Vice President	Clinical SCORE Trial Insights
Director Commercial Development	GlaxoSmithKline R&D

Clinical Research, Teaching & Training

Clinical Research Fellow	Thomas Jefferson University Hospital
Adjunct Professor	Drexel University
Clinical Internship	Yale University
Clinical Practicum	Hospital of the Univ of Pennsylvania

PUBLICATIONS

Robinson DG, Suett M, Wilhelm A, Chajjale N, Franzenburg KR, Gandhi S, Cloud B, Mychaskiw M. Marcy P. (in press) A long-acting subcutaneous antipsychotic (LASCA) in patients with schizophrenia: Nurse preferences for long-acting injectable antipsychotics and treatment experiences. *J Am Psychiatr Nurses Assoc.*

Robinson DG, Suett M, Wilhelm A, Chajjale N, Franzenburg KR, Gandhi S, Cloud B, Mychaskiw M. (2023). Patient and Healthcare Professional Preferences for Characteristics of Long-Acting Injectable Antipsychotic Agents for the Treatment of Schizophrenia. *Adv Ther.* 40(5):2249-2264.

Riedl M, Neville D, Cloud B, Desai B, Bernstein D. (2022). Shared decision-making in the management of hereditary angioedema: An analysis of patient and physician perspectives. *Allergy Asthma Proc*, 43(5): 397-405.

Buse DC, Gandhi SK, Cohen JM, Ramirez-Campos V, Cloud B, Yang R, Cowan RP. (2020) Improvements across a range of patient-reported domains with fremanezumab treatment: results from a patient survey study. *J Headache Pain.*21(1):109.
